Schools for Health in Europe

# WELCOME

---

SHE Academy in Lyon

4 November 2019. Introduction

Ulla Pedersen, SHE secretariat

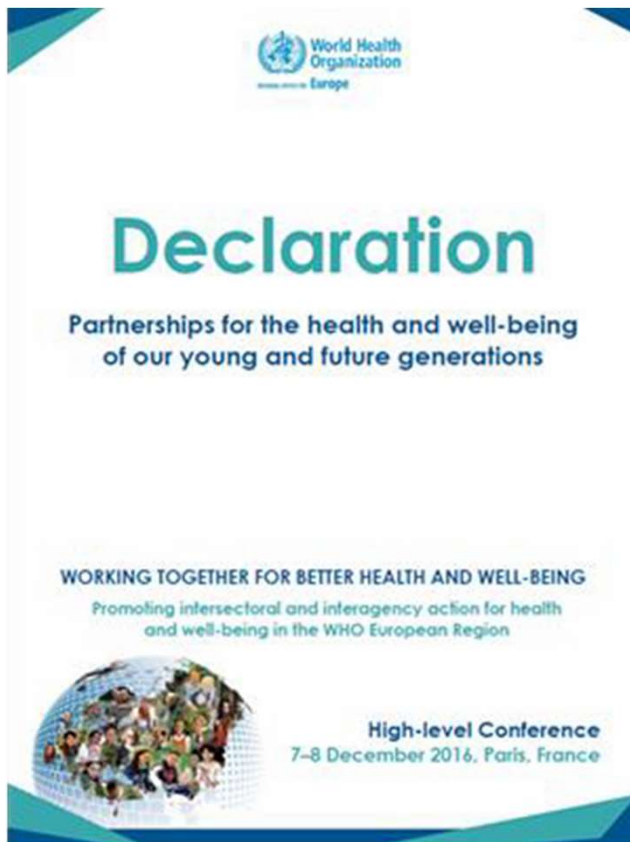

This activity has received funding  
under an operating grant from the  
European Union's Health Programme

# SHE

- 32 member countries
- 9 upcoming countries to become members
- SHE research group: 84 researchers from 22 countries
- About 30 years old. From 2018: SHE Network Foundation

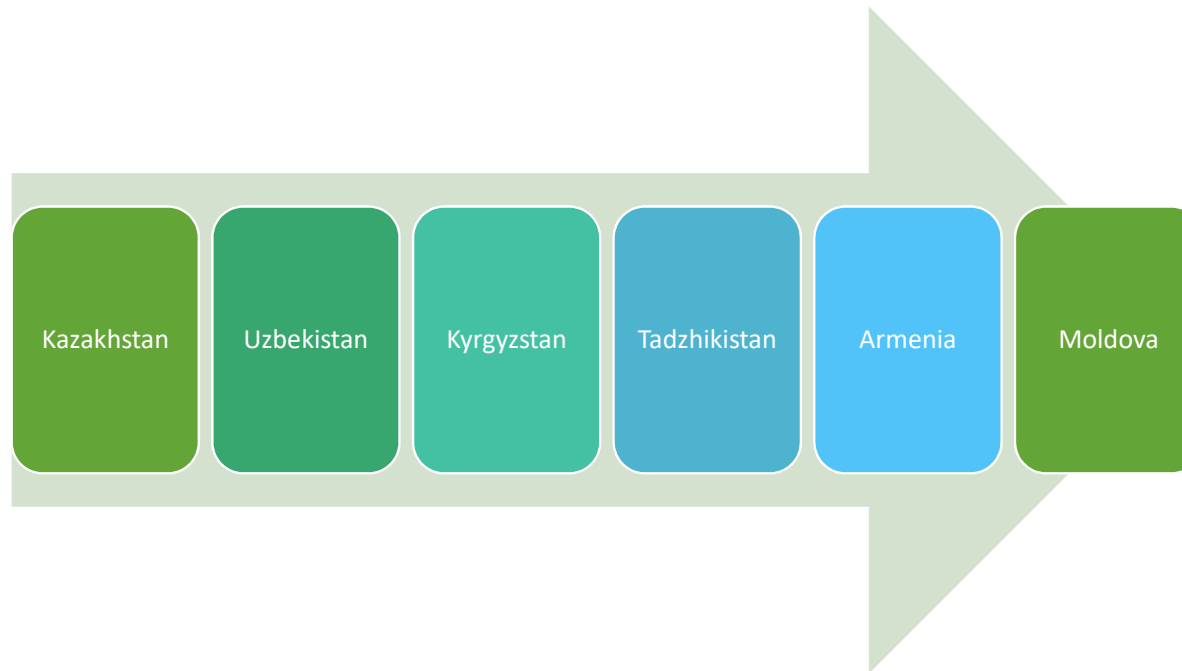

# Make every school a health promoting school

Support and expand the Schools for Health in Europe network, which in this framework would include proposing Europe-wide standards for early childhood development.

# SHE work plan 2019-20

- Country missions together with WHO and SHE Branch Office in Moscow.

## SHE defines the health promoting school as

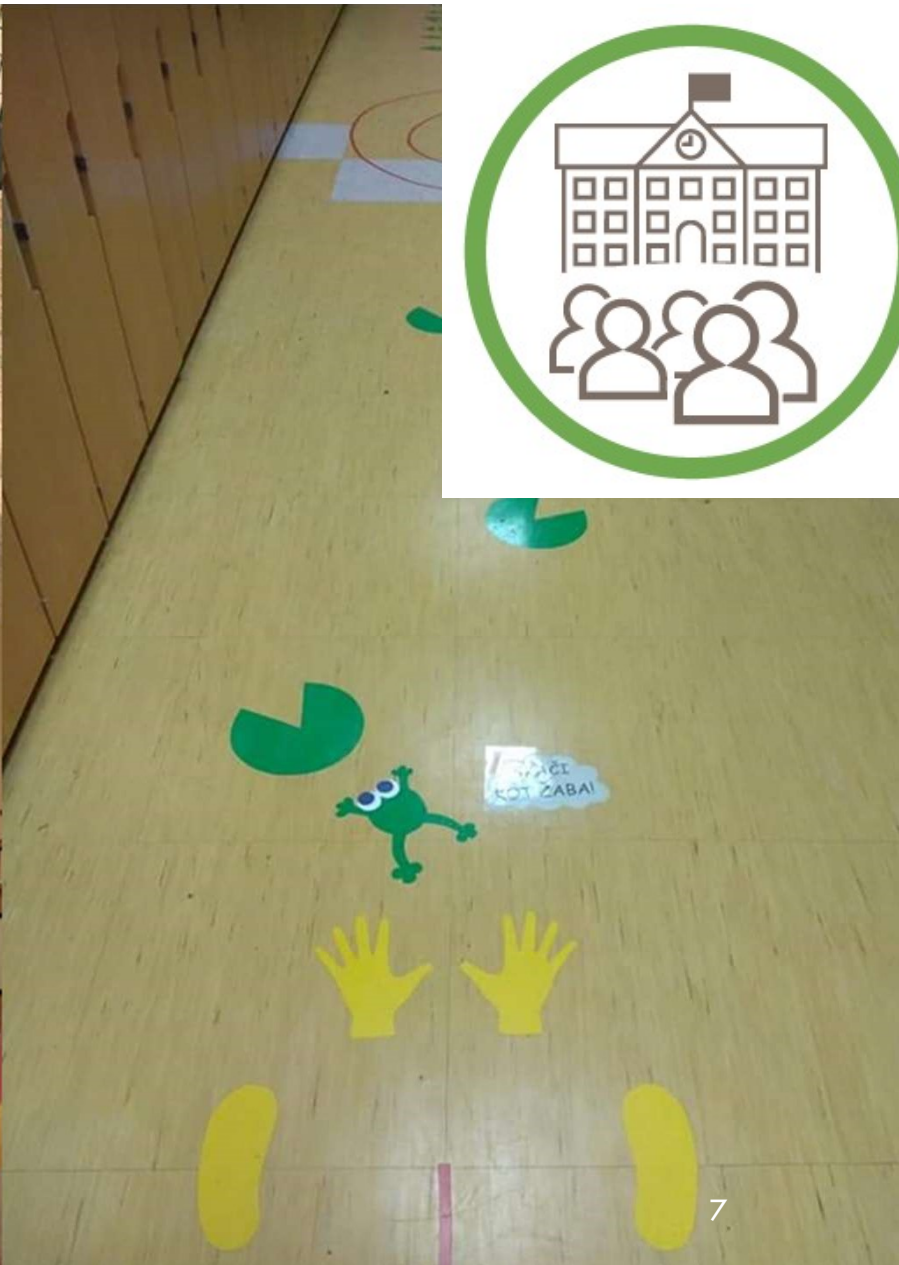

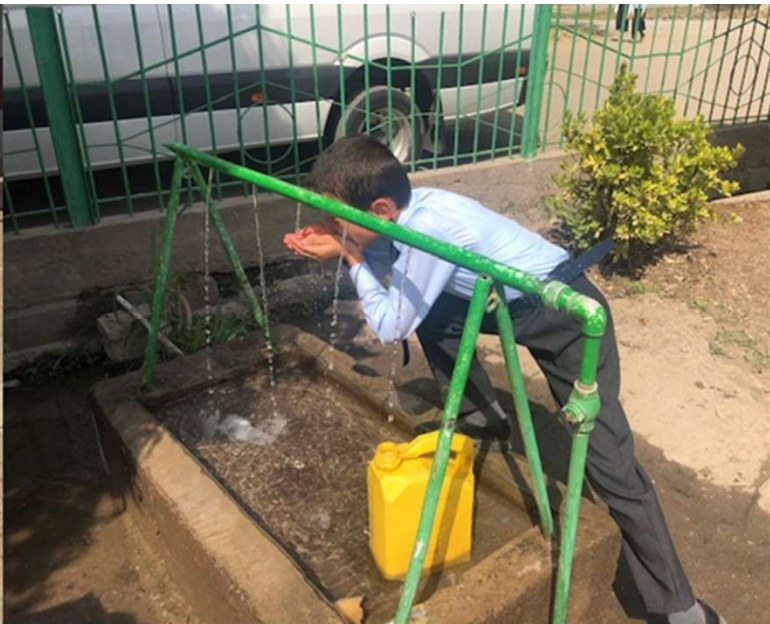

”a school that implements a structured and systematic plan for the health, well-being and the development of social capital of all pupils and of teaching and non-teaching staff”

The whole-school as a dynamic system of intertwined components working together to promote health and wellbeing.
