# SHE Capacity Building Workshop (RG)

Marjorita Sormunen

# Theme: Collaboration within the research group

- ✓ Thematic areas and methodological experience of the members
  - ✓ Current and future views
- ✓ Discussion and establishment of working groups
- ✓ Funding opportunities for joint research projects
- ✓ Joint publications
  
- ✓ Suggestions for the next Capacity building workshop

# The objectives of this workshop are:

- ✓ to hear presentations of RG members' research conducted using different methodologies and study designs,
- ✓ to prepare a matrix for collecting the current thematic research areas and methodological experience of the members,
- ✓ to have a view of future areas and methodologies for school health research,
- ✓ to discuss about establishing working groups inside the SHE RG for future joint initiatives,
- ✓ to discuss about funding opportunities for joint research projects, and
- ✓ to find out possibilities for joint scientific publications.

# The objectives of this workshop are:

✓ to hear presentations of RG members' research conducted using different methodologies and study designs.

-> The purpose of these presentations is to orientate participants with the group members' research activity and to get inspiration for the discussions.

Three presentations of current research activities:

1. **Helena Rafaela Rosario (Portugal)**: Schools and childcare centers as settings for promoting healthy lifestyles: lessons learned and what's next?
2. **Mads Bølling (Denmark)**: The TEACHOUT project: Research in education outside the classroom - a strategy for school health promotion
3. **Maria Scatigna (Italy)**: Post-disaster context and adolescents' perceived health: school wellbeing as mediating factor

~10 min. presentations, ~10 min. discussion

# The objectives of this workshop are:

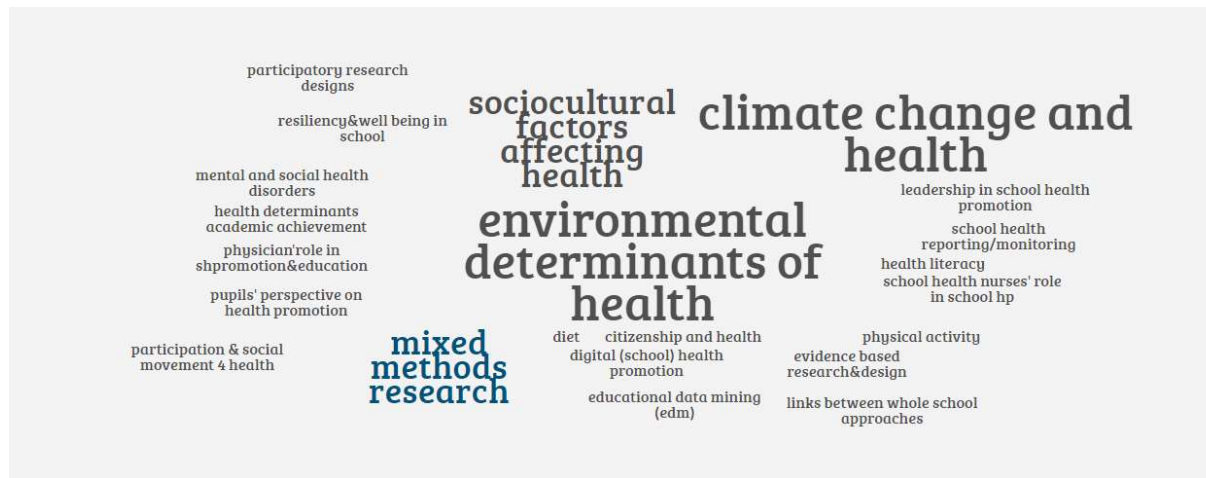

- ✓ to prepare a matrix for collecting the current thematic research areas and methodological experience of the members

Name	xxxx	xxxxxxx	xxxx	

- ✓ What would we like to know about the each other / group members?
- ✓ How would this information be used?
- ✓ Could these information be included in the SHE network web-pages (introduction of researchers)?

# The objectives of this workshop are:

- ✓ to have a view of future areas and methodologies for school health research

- ✓ What do you think about these future areas?
- ✓ What do you think about these future methodologies?
- ✓ How can we currently respond to these needs?
- ✓ Do we need additional training on some areas as a group?

# The objectives of this workshop are:

- ✓ to discuss about establishing working groups inside the SHE RG for future joint initiatives
  - ✓ to discuss about funding opportunities for joint research projects
  - ✓ to find out possibilities for joint scientific publications
- 
- ✓ A brief look at the table (open until the end of June)
  - ✓ Results of the table will be summarized and send to RG members (Marjorita prepares)
  - ✓ Next steps

## Summary and suggestions for the next CBW
